From the Ordo...

In the liturgy and liturgical catechesis of LENT the reminder of baptism already received or the preparation for its reception, as well as the theme of repentance, renew the entire community along with those being prepared to celebrate the paschal mystery, in which each of the elect will share through the sacraments of initiation. For both the elect and the local community, therefore, the Lenten season is a time for spiritual recollection in preparation for the celebration of the paschal mystery. RCIA 125
