"Every stranger who knocks at our door is an opportunity for an encounter with Jesus Christ, who identifies with the welcomed and rejected strangers of every age (Matthew 25:35-43). The Lord entrusts to the Church's motherly love to every person forced to leave their homeland in search of a better future."

From the Ordo....

BREAKING OF THE BREAD. By reason of the sign, it is required that the material for the Eucharistic Celebration truly have the appearance of food. Therefore, it is desirable that the Eucharistic bread, even though unleavened and made in the traditional form, be fashioned in such a way that the priest at Mass with the people is truly able to break it into parts and distribute these to at least some of the faithful... The gesture of the fraction or breaking of bread, which was quite simply the term by which the Eucharist was known in apostolic times, will bring out more clearly the force and sign of the unity of all in the one bread... *GIRM 321*
