## Marriage and Family Sunday 28<sup>th</sup> July *The Family: School of Virtue*

### Pope Francis on the Importance of Family

#### 1. Say These Three Words.

In order to have a healthy family, three words need to be used. And I want to repeat these three words: please, thank you, sorry. Three essential words! We say please so as not to be forceful in family life: "May I please do this? Would you be happy if I did this?" We do this with a language that seeks agreement. We say thank you, thank you for love! Be honest with me, how many times do you say thank you to your wife, and you to your husband? How many days go by without uttering this word? And the last word: sorry. We all make mistakes, and on occasion someone gets offended in the marriage, in the family and harsh words are spoken. But please listen to my advice: don't ever let the sun set without reconciling. Peace is made each day in the family.

## Prayer for Rain

God our Father, You created our earth to nourish us and give us life  
And Jesus told us to ask and it will be given to us  
We ask now in Faith, Hope and Love that you look with favour on our drought stricken land,  
Our starving animals and failing produce.  
Sustain, strengthen and give new heart to our farmers and all those affected by this drought.  
In your loving providence send us your abundant rain soon,  
Renew the faith of your people and the face of our land.  
We make this prayer, through Jesus Christ who gives new life to all living things.  
Amen
