## MISSION SUNDAY - 21<sup>ST</sup> OCTOBER 2018

Healing a nation  
through  
education

*'How beautiful upon the mountains are the feet of the messenger who announces peace, who brings good news...'*  
*Isaiah 52:7*

In Hakha, a remote town in the mountainous north of Myanmar, St John's School is educating local children with a child-centred methodology. Three of the teachers at St John's have been trained through the Pyinya Sanyae Institute of Education (PSIE) in Yangon and have been posted to this school to help local children learn in a modern way that maximises their potential. Your support through Catholic Mission can enable PSIE to continue training teachers and help improve education across the country. You can also help St John's School add grades to ensure continuity of education and become economically sustainable. You will have an opportunity to become an integral part of this inspiring work by joining as a monthly giving partner. This regular contribution will directly support education in Myanmar.
