*Prayer for Rain*

God our Father, You created our earth to nourish us and give us life. And Jesus told us to ask and it will be given to us. We ask now in Faith, Hope and Love that you look with favour on our drought-stricken land, Our starving animals and failing produce. Sustain, strengthen and give new heart to our farmers and all those affected by this drought. In your loving providence send us your abundant rain soon, Renew the faith of your people and the face of our land. We make this prayer with many, through Jesus Christ who gives new life to all living things.  
Amen.
