

Live Your Day

Wednesday, 24 October 2018

Everyday is a gift from God. We are expected to live the day happily and fruitfully. We aren't meant to waste it regretting what we failed to achieve yesterday. Or pondering what tomorrow may throw at us. Good news! Tomorrow will definitely throw stuff at us. So, what shall we do? Live every day to the full. Don't loan it out - you will never get it back.

Cash in the day. Live it. Live it with a definite and clear purpose. Ask the Lord at the start of the day, "Lord what do you want of me?" Partner with the Lord. Remember, there is nothing too hard for Him to achieve (Genesis 18:14). So, trust Him with all your heart and rely not on your own insight. Commit your purpose to Him and He will establish you.

At the end of the day, don't swallow the bait of the accuser. Look at the bright side. There was grace, a message beneath the mess. It wasn't all bad as the accuser will make us believe. It was the Lord's day, remember. He doesn't give us bad stuff. St. Paul said, "Give thanks in all circumstances; for this is the will of God in Christ Jesus for you". Live your day!
