Plenary Council 2020
 Listen to what the Spirit is saying...

WHAT DO YOU THINK GOD IS ASKING OF US IN AUSTRALIA AT THIS TIME

A Plenary Council is held in three stages: preparation, celebration and implementation.

Preparation is what we are doing now and there are three steps during this stage. The first is Open Listening and Dialogue, which began at Pentecost. This will continue to be the focus until Ash Wednesday (March 6) next year. During this time, all people are invited to share their stories and reflect on the question: "What do you think God is asking of us in Australia at this time?"

DOING A FEW THINGS WELL

MESSAGE OF HIS HOLINESS POPE FRANCIS
SECOND WORLD DAY OF THE POOR
 33rd Sunday in Ordinary Time 18 November 2018

This poor man cried, and the Lord heard him (Ps 34:6)

The words of the Psalmist become our own whenever we are called to encounter the different conditions of suffering and marginalization experienced by so many of our brothers and sisters whom we are accustomed to label generically as "the poor". The Psalmist is not alien to suffering; quite the contrary. He has a direct experience of poverty and yet transforms it into a song of praise and thanksgiving to the Lord. Psalm 34 allows us today, surrounded as we are by many different forms of poverty, to know those who are truly poor. It enables us to open our eyes to them, to hear their cry and to recognize their needs. We are told, in the first place, that the Lord listens to the poor who cry out to him; he is good to those who seek refuge in him, whose hearts are broken by sadness, loneliness and exclusion. The Lord listens to those who, trampled in their dignity, still find the strength to look up to him for light and comfort. He listens to those persecuted in the name of a false justice, oppressed by policies unworthy of the name, and terrified by violence, yet know that God is their Saviour. What emerges from this prayer is above all the sense of abandonment and trust in a Father who can hear and understand. Along these same lines, we can better appreciate the meaning of Jesus' words, "Blessed are the poor in spirit, for theirs is the kingdom of heaven" (Mt 5:3).

This experience, unique and in many ways undeserved and inexpressible, makes us want to share it with others, especially those who, like the Psalmist, are poor, rejected and marginalized. No one should feel excluded from the Father's love, especially in a world that often presents wealth as the highest goal and encourages self-centredness.

Continuing Pope Francis's comments: The poor evangelize us and help us each day to discover the beauty of the Gospel. We are urged to not squander this grace filled opportunity to reach out to each other and make tangible the Church's response to the cry of the poor. A local expression to this urging is the support provided by the local St Vincent de Paul Society to those in need in our local community. In the first three months of this financial year, Conference members have met with 88 families and individuals, listened to their stories of financial and social challenges and provided material assistance - to the value of \$23,890, to meet food, power, transport, accommodation, medical and household needs. Again, Pope Francis writes: '...grow in humanity and become capable of sharing.'
