"DOING A FEW THINGS WEL"

Meetings held this week: *Marriage & Family Committee* planning Family Masses in our Parish every 2nd Sunday; and special event for Families in response to Bishop Kennedy's request for *Marriage & Family Week* to be celebrated in our Diocese each year around the Feast of Sts Joachim & Ann 26th July...then Diocesan Marriage & Family Sunday is 30th July this year... PLAN AHEAD...*Committee investigating Before and After School Care* met at St Joseph's Catholic Parish School. information is being researched and discussed. Proposals have to go to the Parish Interim Finance Council for further deliberation. Will there be a strong enough demand for the service is the crucial issue.

For thousands of years before the arrival of Western settlers [in Australia], the sole inhabitants of the land were indigenous peoples, the Aborigines and Torres Strait Islanders. Their ancient heritage forms an essential part of the cultural landscape of modern Australia. Thanks to the Australian Government's courageous decision to acknowledge the injustices committed against the indigenous peoples in the past, concrete steps are now being taken to a chief reconciliation based on mutual respect. Rightly, you are seeking to close the gap between indigenous and non-indigenous Australians regarding life expectancy, educational achievement and economic opportunity! This example of reconciliation offers hope to peoples all over the world who long to see their rights affirmed and their contribution to society acknowledged and promoted. (Pope Benedict XVI World Youth Day 2008.)

"MAKING CHURCH MATTER"

**STATEMENT FROM CARDINAL GEORGE PELL
FOLLOWING ANNOUNCEMENT OF CHARGES
BY VICTORIAN POLICE**

These matters have been under investigation now for nearly two years. There have been leaks to the media, relentless character assassination and, for more than a month, claims that a decision on laying charges is "imminent".

I am looking forward finally to having my day in court. I repeat that I am innocent of these charges. They are false. The whole idea of sexual abuse is abhorrent to me.

I have kept Pope Francis regularly informed throughout this lengthy process, and have spoken to him in recent days about the need to take leave to clear my name. I am grateful for his support in granting me this leave to return to Australia. I have spoken to my lawyers about when I need to return home, and to my doctors about how best to do this.

I have been consistent and clear in my total rejection of these allegations. News of these charges strengthens my resolve, and court proceedings now offer me an opportunity to clear my name and then return to my work in Rome.

Card. George Pell
Prefect of the Secretariat for the Economy
Vatican, Rome
