Online Petition: NSW Reproductive Health Care Reform Bill

An online petition has been organised by Barnaby Joyce MP on this issue. This is a different petition to the hard copy petition you may have signed in the past few weeks. That petition was organised by the Right to Life Group and it will be presented to the NSW Upper House. This Petition is urging the New South Wales Parliament to establish a Parliamentary Inquiry into the proposed abortion legislation - including consideration of adoption processes in New South Wales to reflect the realities of families and their individual circumstances - before putting it to a vote. The legislation put forward in the NSW Parliament is among the most extreme in the world. This debate cannot be rushed. This debate cannot be stifled. To show your support for life by signing this petition go to www.supportlife.com.au “

Prayer for Rain

Almighty God, we are in need of rain. We realise now, looking up into the clear, blue sky, what a marvel even the least drop of rain really is. To think that so much water can fall out of the sky, which now is empty and clear! We place our trust in You. Look on our dry hills, valleys and paddocks, dear God, and bless them with the living blessing of soft rain. We wait and watch for your gift of rain. Then the land will rejoice, and the rivers will sing Your praises, and our hearts will be made glad. Amen.
