Euthanasia

Doctor, Nurse or Allied Health Professional?

Please sign this open letter against the legalisation of assisted suicide
www.healthprofessionalssayno.info. Proposed legislation to legalise
assisted suicide and euthanasia will be debated in the Parliament of
NSW on the 16th Nov. Similar bills are expected to be introduced in
other states in the near future. Let your members of parliament know
that you support increased access to better aged care and mental
health services, disabilities assistance and excellent palliative care,
rather than the legalisation of assisted suicide and euthanasia which
would place the most vulnerable patients at risk as well as undermin-
ing the relationship between patients and healthcare professionals
which is based on trust and mutual respect. This is an independent
petition which has been organised by concerned healthcare
professionals.
