ORATIO IMPERATA AD PETENDAM PLUVIAM

(Prayer for Rain)

God our loving Father, creator of our earth and of the universe, and all the wondrous elements of nature that sustain your living creatures, we humbly ask you to send us the rain that our country needs so badly at this time, to irrigate our paddocks, to extinguish the bush fires, to provide water for our bodily health, and to refresh our parched lands.

At your command the wind and the seas obey, raise your hand Almighty God to send the rain that has now been long delayed. Merciful and generous God, open our eyes to the richness and beauty of your creation and instil in us a deep love for this earth and all that is in and around it. Teach us to be wise stewards of your creation so that we may always use them responsibly and protect them from abuse and exploitation. At this time of crisis, dear Lord, move us to share more, to serve more and to love more.

Loving God, Father of our Lord Jesus Christ, you entrusted this Great South Land to the special care of Mary, help of Christians, listen to the prayers that we bring up to her, our Blessed Mother, to intercede for us, for the protection of our land and our people, whom she loves. Grant this through our Lord Jesus Christ who lives and reigns with you in the unity of the Holy Spirit, One God forever and ever. Amen.
